February 18, 2011 for Immediate Release

Data Vine LLC. announces new business partnership.

Bristol, Connecticut – Data Vine, LLC. announced today a new business partnership that extends its capabilities in the area of helping companies develop and deploy lean transformation, while also helping support Data Vine’s sales efforts. The new partner “The Lean Impact Group” whose president A.J. Tozzi is a highly sought after Business transformation leader & consultant.

More About A.J.:

A.J. is an innovative & seasoned Operations Executive & Lean Practitioner, began his Lean Training with the Shingijitsu Group & honed his Lean Enterprise skills in Danaher Corp. These skills and experiences allow A.J. to identify & solve complex business issues throughout the entire Value Stream of an organization.

A.J. has extensive experience as a change agent & has led hundreds of successful Kaizen events & many Business Transformations that have resulted in dramatic improvements in Quality, Customer Service, Cost Reduction, Working Capital Improvement and Top Line Growth. Equally skilled in Executive Management, shop floor and administrative process improvement, AJ’s hands-on approach to teaching & “just-do-it” methodology delivers bottom line results fast.

A.J. Tozzi’s Specialties:

Strategic Planning & Deployment	Lean Manufacturing	5S & Visual Controls
Lean Office	Product Development	Flow Production/Standard Work
Supply Chain Management	Process Analysis & Design	Pull Systems, Kanban & Inventory Reduction
Selling To Win – Improving the Sales Process	SIOP – Sales, Inventory & Operations Planning	Set Up Reduction
